Six versions: right and left-handed and 3 sizes:distance wrist to top of ring finger: up to 170 mm: Small, 170 - 190 mm: Medium and 190 -210 mm: Large

Handy: 2 buttons at an ergonomic position and a scroll wheel

Technology: BlueRay Track sensor for optimal tracking

Note: also available in a wireless design

Weight:	190 g
Product code:	BNEP170R (Multiple versions)

Research
Unnatural postures are a risk factor for development of complaints of wrist and forearm (Karlqvist 1994, Jensen 1998, Hagberg 1994). When the mouse is positioned closer to the body the strain of shoulders and neck decreases (Armstrom 1995, Cook 1998).Productivity is lower when using a trackball and touchpad, standard mice and pen tablets enable a higher productivity.
